Preamble:-

The Government of Gujarat has introduced a scheme for Incentive to Industries under the Gujarat Industrial Policy-2015 vide Government Resolution at Sr. No. (1) referred to above. It was provided under the said scheme that the industrial undertaking shall have to commence production before 24.07.2021 and said date was extended vide Government vide G.R. dated 5.12.2020 referred to at sr. no. 5, upto 24.1.2022. Various association and individuals have represented to the government that the industrial unit could not commence production before prescribed date due to second wave of COVID-19 Pandemic, and therefore, date of commercial production should be further extended at least for one year more.

Resolution:-

After careful consideration, Government has decided to extend the date of commercial production for industrial undertaking registered

under this scheme. Industrial undertaking registered under this scheme shall have to commence commercial production by dt. 24.7.2022.

Other terms and conditions will remain same.

This issue with the concurrence of Finance Department vide note dated 25.10.2021 on this department file of even number.

By order and in the name of the governor of Gujarat.

(B.S.Mehta)

Joint Secretary
Industries and Mines Department
