FOREWORD

Gujarat state is recognized for its vibrancy and entrepreneurial spirit. It assumes a pivotal role in the fast changing business dynamics of India. The State aims at providing information and facilitation to investors. In this context the new edition of “Industries in Gujarat–statistical information” provides valuable data on industrial progress in the state, covering progress in MSMEs, factory sector and large industries, as also the incentives Schemes. The issue also covers information on natural resources of Gujarat which can be put to effective use for setting up new projects.

Our website has also been re-designed so as to be more investor friendly for providing information related to industries.

I am sure this book on “Industries in Gujarat–Statistical information” will be very useful not only to the industries Department, but also for the investor and all other Department of the State Government and industries promotion Agencies which are associated in planning, policy Making and Research Activities.

I welcome suggestions/comments which will make the publication more useful.

ACKNOWLEDGEMENT

“Industries in Gujarat–statistical information” is published in a booklet form by industries Commissionerate since 1979. This publication aims at providing statistical information on industrial progress in Gujarat and compares it with other states and country as a whole wherever such information is available.

This issue of “Industries in Gujarat–statistical Information -2014” covers statistical information on industrial progress in Gujarat. It includes different statements grouped into area and population, micro, small & medium industries and large industry, census of industry, factory sector, various incentive schemes, information on natural resources, infrastructure facilities, industrial relation and others covering all facets of industrial development. We hope the publication will be useful to planners, investors, industries and various Departments in the Government, and all agencies associated in industries promotion.

Shri S S Suthar, Deputy Director (stati), Shri A G Patel (R.O), and Shri A R Umat (Clerk) of Computer Cell have put up commendable efforts in compiling information from various Departments and Offices and make it in Computerized form. I place on record my appreciation for the valuable work put in by the team.

I thanks to all offices/institutions, who have provided information for the publication in the booklet.

Any suggestions for improvement of this publication are most welcome.
